

Earn a Masters of Science
Non -Thesis (Plan B) Degree in
Biology at the
University of Kentucky
Department of Biology

How to Get Started

Visit us at bio.as.uky.edu/grad-program

Contact Director of Graduate Studies:
Dr. David Westneat at biodfw@uky.edu

Passionate about science?

Want to expand your knowledge and
expertise in the field of biology?

Need a path to career advancement
or a stepping stone on the way to
other graduate or professional
programs?

Students entering the UK Biology
non-thesis Masters of Science Program will
work with a faculty mentor to develop a
curriculum based on their interests and
conduct advanced training in Biology.

This degree program can be completed in
as little as one year. Average program
length is 2 years full time.
